EDITORIAL NOTE

Sports photography is about reaction, precision, and the ability to anticipate movement before it happens. Photographer Andrejs Zavadskis covers the world of sport using fast-action cameras and telephoto lenses, capturing frames that convey the intensity, effort, and triumph of athletic performance. The portfolio spans a wide range of disciplines – from team sports such as basketball and ice hockey to individual pursuits including tennis, athletics, and swimming, as well as outdoor sports and fitness. Andrejs is an athlete himself – a regular padel player – and this personal understanding of sport...
